When you talk to God, do you ever wonder if He hears? Do your prayers feel uninspired or routine? Do you sometimes feel like you don't even know how to pray? Try praying upside down.

Let artist and author Kelly O'Dell Stanley show you what white space, sketching, point of view, and other artistic ideas reveal to us about how to pray—and experience a deeper connection with God than ever before. Praying Upside Down will move your prayers away from the preconceived and expected, allowing you to encounter God in a brand new way. It's a fresh chance to add passion to your prayers and notice answers you never anticipated.

Jesus was known for turning situations upside down . . . and He will do the same in your prayer life. And because God is the ultimate creator and the original artist, when you incorporate this unique approach to prayer, you will encounter more of Him.

Your \$25 registration fee, due Monday October 5, includes your own copy of the book, *Praying Upside Down*, lunch, and a donation to St. John's Outreach efforts. **Complete the registration form below and deliver it with payment to the church office.** Questions?
